# Institutional Integrity + “Go Local” Benefits.

**More reasons: strong fundamentals  
never lose their star appeal**

These days, nobody has to explain why fiscal responsibility and operating soundness are more important than ever. So here's something we hope you'll appreciate: At ISB, your deposits are not only FDIC insured – they're **FDIC insured at a top-rated 5-star institution.** (That's according to Bauer Financial, which is widely considered to be the leading independent ratings service of its kind.)

Strong fundamentals aren't limited to financial operations, either – they also apply to core values and principles. That's why you can count on ISB to put your deposits to work right here in your community – where you can benefit directly from the good they do.

Just as we have for 70-plus years, we remain true to one thing above all: ISB's Mission to make our little corner of Central PA a better place for you.

After all: **It's Simply Better.**
